The following is an examiner's statement of reasons for allowance:

The closest art of record, namely Talluri et al. (Pat. No. 5,630,087), does not teach nor render obvious the embodiments of independent claims 1, 9, 10, 16 and 19-21 having a translation entry including "a translation entry mapping indicator...associated with a given context...", "a validity flag for each...given context" and "demapping the given context by changing the mapping indicator and a cleanup indicator..." Talluri does not teach the claimed "cleanup indicator" as found in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
